GAURAV KAUSHIK

React Native Developer | JavaScript | App Development | Android | IOS

gkaushik341@gmail.com | +91 9910824884 | GITHUB | LINKEDIN

React Native Developer with **1+ year of hands-on industry experience at Trank Technologies Pvt. Ltd.** in designing, developing, and deploying **cross-platform mobile applications** for Android and iOS. Strong expertise in **React Native**, **state management (Jotai, Context API)**, **REST API integration**, and third-party services including **Firebase** and **Razorpay**. Proven ability to build **high-performance, scalable, and responsive mobile applications** with clean, maintainable code. Successfully delivered production-ready apps published on the **Google Play Store** and **Apple App Store**.

Additionally, brings **3+ years of part-time teaching experience**, mentoring students in **JavaScript, Python, Java, C/C++ and Web development**, demonstrating strong problem-solving, communication, and technical leadership skills. Passionate about creating seamless user experiences and contributing to business-driven mobile solutions in fast-paced development environments.

SKILLS

- **Languages**: JavaScript(ES6+), TypeScript, HTML5, CSS3
- **Frameworks & Libraries**: React Native, React.js, Redux, Context API, React Navigation, Axios, Fetch API
- **Mobile App Development:** Cross-Platform App Development (Android & iOS), REST API Integration,Firebase (Authentication, Cloud Messaging), Push Notifications (FCM), In-App Purchases (IAP), State Management & Performance Optimization, Responsive UI & Pixel-Perfect Design, Form Handling & Input Validation, Error Handling & Debugging
- Push Notifications, In-App Purchases, Firebase Integration, API Integration, Responsive UI Design
- **Native & Platform Knowledge:** Android Studio (Android SDK, Gradle basics), xcode(iOS build & deployment), Linking Native Modules, App permission & Device APIs
- **Tools & Development Workflow:** Android Studio, Xcode, VS Code, Git, Github (Version Control), Postman, NPM/Yarn
- **Deployment & Release:** Apple App Store Deployment, Google Play Store Deployment, Build Generation(APK, AAB, IPA)

EXPERIENCE

React Native Developer | Trank Technologies Pvt. Ltd.

Gurugram, India | Dec 2024 – Present

- Developed and maintained cross-platform mobile applications using **React Native**, ensuring smooth performance on both Android and iOS.
- Implemented **state management** with Redux and Context API for scalable app architecture.
- Integrated **RESTful APIs** and third-party services such as **Firebase** and **Razorpay** for payments and automation.
- Collaborated with designers and backend teams to deliver responsive, user-friendly, and high-performing apps.
- Published and managed app releases on **Google Play Store** and **Apple App Store**.

IT Educator (Part-Time)

Apr 2021 – Mar 2024

- Taught **Web Development** concepts including **HTML, CSS, JavaScript**, **Software Engineering**, and programming languages such as **Python, Java, and C/C++**, along with **Pandas, NumPy, and Matplotlib**, to high school and college students.
- Mentored students on **problem-solving, algorithmic thinking,** and **real-world software development practices**.

PROJECTS

Trading Gurukul: Online Learning Platform

- A cross-platform **React Native** mobile application designed for online trading education.
- Implemented features like **in-app purchases**, **push notifications**, and **secure payment integration** using Razorpay.
- Deployed successfully on both **Play Store** and **App Store**, ensuring smooth user experience and performance optimization.

MyPotes: People Notes (AI Powered Contact & Notes Management System)

- A **Django + React Native** application for managing contacts and personal notes with dynamic sections (family, employment, education, and interests).
- Built rich **contact, notes, and reminder modules** with AI-powered chat assistance for smart interaction.
- Integrated **RESTful APIs** for reminders and real-time data sync, providing a seamless and responsive user experience.
- Deployed successfully on both **Play Store** and **App Store**, ensuring smooth user experience and performance optimization.

Durga Jewellers: Jewellery Selling Platform

- **Developed the Durga Jewellers mobile app** using React Native, enabling users to browse jewellery collections with smooth navigation and an intuitive UI.
- Integrated **real-time updates, product listing pages, and optimized performance**, ensuring a fast and user-friendly shopping experience.

EDUCATION

Qualification	Institution	Year	Score
B.Sc. (Hons.) Computer Science	**Keshav Mahavidyalaya, University of Delhi**	**2024**	**77.43%**
Class XII (Science)	**CBSE – Kendriya Vidyalaya**	**2021**	**83%**
Class X	**CBSE – Kendriya Vidyalaya**	**2018**	**70.20%**
